1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section <u>must</u> be completed. Attach additional information if necessary.)

I am a customer, I boat on the water, I drink the water, I live on the water and I am most upset and concerned about what is happening.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

I resent the harm that TCWS is doing to my property. Both drinking water and recreational use of Lake Wylie. They have shown NO concern other than money making for shareholders in distant places.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *

Yes
